Information

FW Power have 4 x ABB 1000 Amp Air Circuit Breakers for sale. The circuit breakers were previously used within a data centre alongside several standby diesel generators of which FW Power have recently removed due to the site being de-commissioned. Their usage has been low and they are all in excellent condition. We have circuit breakers ranging from 550 Amps - 200 Amps available, all of which are available to view at our depot in Tarporley, Cheshire. Please follow the link for more information on the ABB range - <https://new.abb.com/low-voltage/products/circuit-breakers/tmax>

*Note all prices are quoted excluding VAT and ex-works UK. Information in **FW Power** data sheets is for guidance only.*
